

# Western Avenue

The Western Avenue District is filled with some of the most unique shops and restaurants in Oklahoma City. Conveniently located just minutes from almost every hotel in Oklahoma City, visitors will find that Western Avenue is like no other shopping and dining experience in the area.

The District is surrounded by beautiful, older neighborhoods that offer an abundance of charm and heritage. Nestled in between Crown Heights and Nichols Hills, many of these neighborhoods are historic preservation districts.

Shoppers will love Western Avenue's wide selection of specialty stores, from antiques, to clothing, to cosmetics, to home décor, to art galleries, to educational toys. Whether you're a window browser or certified shopper, Western Avenue has an exciting blend of stores that will interest all ages.

Western Avenue retailers are unique. In one store, you may stumble upon a rare treasure that cannot be found anywhere else, while in another store, you may discover exclusive clothing lines or enamelware that are typically reserved for Madison Avenue. Whichever your preference,

the District thrives because it attracts a diverse mix of shoppers, conservative and chic.

Shopping outings are meant to be savored, not rushed. That's where Western Avenue restaurants enter the picture. When you're finished shopping for the day, or simply ready to take a break, you may want to explore Western Avenue's diverse selection of eating establishments.

From American, to Asian, to French, to Italian, to Barbeque, Western Avenue restaurants will satisfy almost any craving. If you're searching for Swiss or Belgium chocolate, the District has a candy store for you. If you're yearning for a bread bakery, a gourmet grocery store, a delicatessen, or a four-star restaurant, you will find it on Western Avenue.

During your visit, there may be times when you prefer to do nothing but sit back and relax. We would suggest a smooth cappuccino or latte at one of Western Avenue's coffee shops. Or perhaps you would enjoy a glass of merlot as evening approaches. The District has a number of wine bars and restaurants that serve a variety of fine wines.

Western Avenue is a perfect excursion during your stay in Oklahoma City. Western Avenue runs north and south, between N.W. 36th and Wilshire Boulevard. If you're traveling on Interstate 44, simply take the Western Avenue Exit. Spend an afternoon or an entire weekend shopping and eating on Western Avenue.
